April 18, 2017

We invite you to *Share The Power Of A Wish®!* The power of Make-A-Wish lies in the simplicity of our mission. We grant the wishes of children with life-threatening conditions to enrich the human experience with hope, strength and joy. Last year, we granted over 375 wishes for children in our territory, including the wish of Dominic, age 11, from Sebastopol. Dominic's wish was to go to Oahu, Hawaii and he and his family had a trip of a lifetime this past fall.

On behalf of Dominic and all the brave wish children and families we serve, it is my pleasure to invite you to donate to the auction at our annual fundraising event, Wishes in Wine Country, happening May 20, 2017 at Sonoma-Cutrer Vineyards. Over 800 guests will enjoy a wonderful day of wine, food and fundraising - all benefiting Make-A-Wish Greater Bay Area.

Our chapter, one of the largest in the country, is responsible for granting the wishes of children with life-threatening medical conditions in 17 area counties from the Monterey Peninsula to the Oregon border, including all of Sonoma and Napa counties. We are dedicated to making every eligible child's wish come true!

This year, we're hoping to include a wonderful item from you in the auction at Wishes in Wine Country!

The more unique and exclusive the donation, the more money we'll raise for granting wishes! Donations like these have allowed us to raise a tremendous amount of funds (so important when the average cost of a wish is \$10,000). Of course, we are always appreciative of any donation and are happy to respect any restrictions.

Should you decide to help make wishes come true, please find enclosed a donation reply form which can be returned at your convenience. Please feel free to contact me at (415) 321-7385 or tburnett@sfwish.org with any questions. It is because of contributions like yours that we can promise to give more children unforgettable moments and memories, but more importantly, hope for the future. Thank you for your kind consideration!

Warmest Wishes,

Tamara Burnett
